**Patterns for Juliet by Lisa Gregg**

**#67 White**

<http://www.gracefaerie.com/patterns/pattern67.html>

This pattern includes a custom-sized pattern for Juliet.

Many other *gracefaerie* patterns fit Juliet perfectly, or can be easily adjusted for her adorable body.

*These suggestions are based on dressing Juliet in the original prototypes, and estimating the adjustments. I have not “road tested” these suggestions. Please let me know if you discover fitting adjustments that work better for you. Happy Sewing!*

**#57 Team Hoodie Rocks On:**

The hoodies, skirts, tank tops and sherpa boots fit a bit more loosely, but "the look" is adorable on Juliet.

Leggings: Begin with the cropped length (as shown on Juliet).

Shorten 3/8" for cropped length, add 1 3/8" for ankle length.

Long sleeve Hoodie: Shorten sleeves 1/2".

I have not dressed Juliet in all of the prototypes, but minor tweaks and adjusting the lengths of pants and sleeves should be all you'll need to do to make these cute outfits for her!
